

A close-up photograph of a typewriter keyboard, focusing on the central keys. The keys are arranged in a grid, and the letters 'T', 'e', 'k', 'n', 'i', 'o', 'n', 'i', 'e' are overlaid on the keys in a serif font. The background is a light blue, textured surface, likely the typewriter's body. The lighting is soft, highlighting the metallic and plastic textures of the keys.
